

Responses to questions from the Tribunal - Réponses aux questions du Tribunal

(a) List of questions from the Tribunal, transmitted to both parties on 20 July 2007

20-07-07

List of questions

Question 1:

Detailed information on the different components of the bond amounting to 22 millions roubles, the legal basis and the way of calculating each of these components, in particular:

- clarification as to the relevance and legal basis of the "damage" to fish species as an element of the bond;
- clarification as to the calculation of criminal as well as administrative fines.

Question 2:

Clarification as to the possibility of the confiscation of a fishing vessel in light of the alleged offences.

Question 3:

Copy of the Protocol 8 of the XXII Session of the Russian-Japanese Commission on Fisheries.
